LEARNING ACTIVITY

Page No.

Date

DATE : 12.9.22

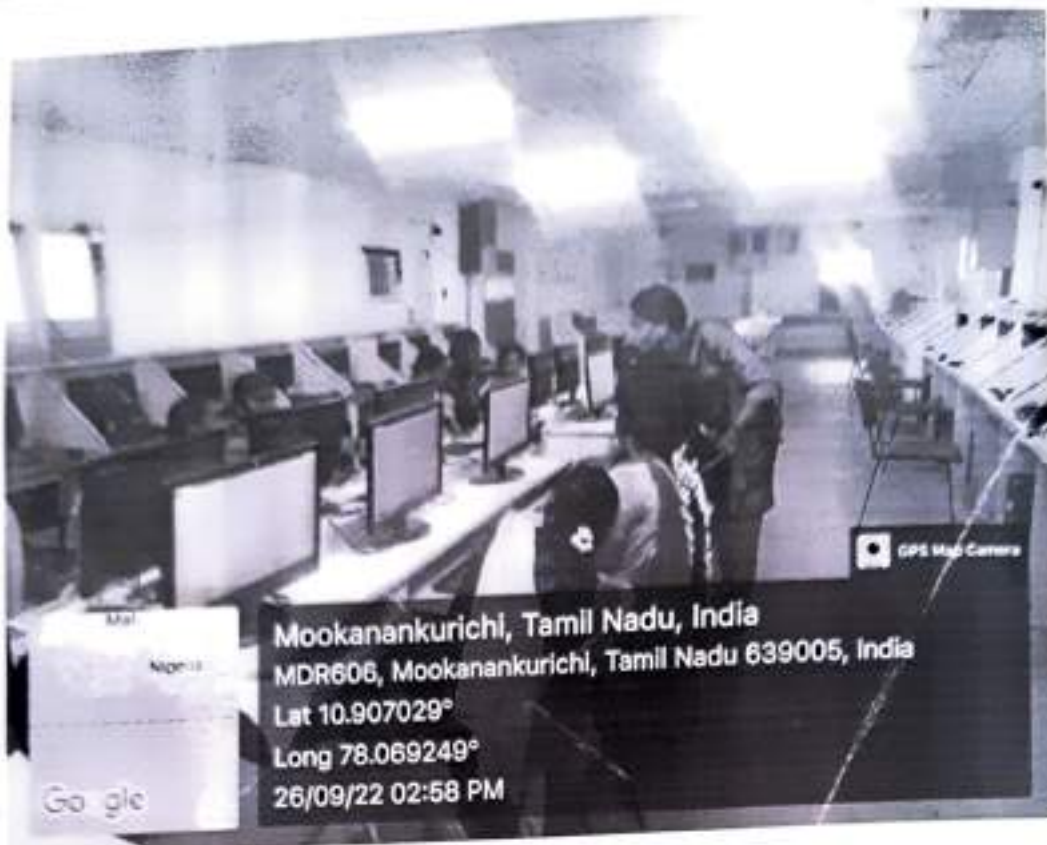

RESOURCE

PERSON : Ms. Ramya

DESIGNATION: Department of Computer Science.

The aim of this report are to make suggestions for a suitable activity to do with the students. The students of Computer Science department of First year, learned about how to process the MS-Powerpoint in the system. The students learned it sincerely and eagerly. In that power point there are many methods to do some work related and to create a ppt presentation. This section was useful for them.

In Facebook app, there are some problems by Fake ID users. Hackers blackmail some of the people by using their profile photos etc. For example, one girl has such a problem by the Fake ID users people. They are blackmailing her. She looks very sad because of those reasons. Her friend asked her what are you looking sad, what is your problem? That affected girl explained her problems to her friend. Her friend told the girl there must be a solution for the problem. I have an idea that is to create a new software and upload your photo on that software. The photos will be deleted on the site automatically. It will be useful in the future generation.

COMPUTER NETWORKS TYPES.

DATE : 21.1.23

DESIGNATION: Department of Computer
Science

First year students learned about computer networking and it refers to interconnected computing devices that can exchange data and share resources with each other. These networked devices use a system of rules, called communications protocols, to transmit information over physical or wireless technologies. Students demonstrated how a computer network is a group of computers linked to each other, and communicate with another computer, share their resources. Pupils explained the types of these networks.

INTERVIEW PRESENTATION

DATE : 8.2.2023

DESIGNATION Department of Computer
Science

Pupils enlightened the presentation of interview and tips to how to appear for an interview, how to answer the question and behaviour during interview session. An interview is a structured conversation where one participant asks questions, and other provides answers. It is a discussion or conversation between a potential employer and a candidate. Panel, structured, one-to-one, telephonic, are the types of interviews.

SRI SARADA NIKETAN COLLEGE OF SCIENCE FOR WOMEN

Institution recognized by UGC u/s 21 & 12b, re-accredited with 'B' grade by NAAC

(a branch of Sri Ramakrishna Tapovanam, Thirupparaithurai)

Affiliated to Bharathidasan University,

Karur-5

**COMMUNICATION LABORATORY REPORT
(2022-2023).**

Sri Sarada Niketan College of Science for Women

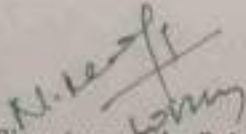

Department of English

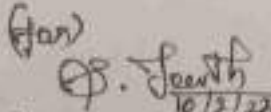

Language Laboratory Report (2022-2023)

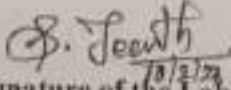

“Language is the blood of the soul into which thoughts run and out of which they grow.”

The language laboratory is an audio or audio-visual installation used as an aid in modern language teaching. The language laboratory plays an important role in the language learning process. As it is a technological aid for learning. They allow a teacher to listen and manage Student audio, which is delivered to individual strengths through headsets or isolated sound Booths.

Communication laboratory is a learning process to enrich and inflate knowledge through Hearing in our college, we have a separate language laboratory which functions with 30 headphones with highly audible sound during every we allotted separate hours for language. It induces perseverance and stimulates the learning process with learning aids. Weekly all the students refresh their minds during lab hours. Nearly 25 students benefited. And many students enriched and improved their language with excellent fluency.
