ALUMNI MEET REPORT

Alumni meetings are conducted by the alumni association every year in order to meet with alumni and celebrate their successes and various achievements. The alumni meet started with an invocation song seeking the blessings of the Almighty by our college students. The inaugural session was attended by the Secretary, Yatiswari Neelakanta Priya, the Principal, Dr. Nagadeepa, and the HODs of all the departments. The event was scheduled for May 11, 2024, and commenced at 10 a.m. The meeting began with the lighting of a lamp and a speech by our secretary, followed by our principal addressing the alumni. Final-year students performed a few cultural acts, like dancing and singing, to entertain the alumni. The event was stimulating, enjoyable, and simultaneously profitable as all members shared their views and ideas, and a good number of new ideas, information, and insights came up. The association is hopeful of successfully structuring and positioning itself as a fully functional global platform for Sarada alumni. The alumni association sincerely expressed its gratitude to the honorable secretary and principal for their guidance and support in making this event a grand success. The meeting ended with a thank-you speech by the alumni member and was followed by lunch. They were taken on a campus tour, where they revisited the familiar place where they had studied and were shown the various developments that had taken place since then. The alumni thoroughly enjoyed the event.

REPORT

The alumni association was established to address the needs of both academicians and professionals, with the aim of bridging the gap between college life and career life. This initiative was taken to ensure that fresh graduates are well-prepared to face the challenges of the competitive professional world. The collaboration between these two groups is crucial in achieving the desired outcome. Over time, the idea of the alumni association materialized and became a reality, serving as a platform for networking and support among former students.

In line with its objectives, our college's Alumni Association organized a special event called "ALUMNI MEET 2023" for the batch of 1992. This gathering took place at the Nivedita Seminar Hall on 16th December 2023, aiming to facilitate, consolidate, and coordinate various alumni activities. The primary purpose of this event was to provide an opportunity for former classmates to reconnect and celebrate their achievements. The program commenced after a refreshing session, with alumni arriving at the college around 10.30 a.m.

The event began with our Principal and Amba honoring the former students for their accomplishments. They took the opportunity to discuss the core values and ideals of our college, while also sharing their personal experiences and cherished memories from their time as students. A remarkable commitment was made by the alumni to support underprivileged students by covering their college expenses, ensuring that more individuals have access to education. This act of generosity exemplifies the strong bond and commitment within the alumni community.

Following the formalities, the attendees were divided into three groups consisting of faculty, students, and alumni. These groups engaged in constructive dialogues, fostering a collaborative environment where ideas and experiences were shared. This interactive session allowed for meaningful discussions on various topics, further strengthening the ties between the alumni and the college community. The Alumni Association's efforts in organizing such an event not only fostered a sense of unity but also provided a platform for knowledge exchange and mentorship opportunities.
