REPORT

The Tamil Nadu Government of Police Department organized an awareness program on "Basic Traffic Rules" at Sri Sarada Niketan College of Science for Women at Kodangipatty. Nearly 70 students participated in this event. Our college students gave basic traffic rules awareness to wearing a helmet for two-wheelers and seat belts for those who drive four-wheelers and to following traffic rules. Our students have been fully energetic and enthusiastic throughout this program. While people are breaking the rules, unfortunately, we are suffering accidents. Hence, awareness of basic traffic awareness is important.
